McVeigh Associates has Achieved a Three-Year Sales Growth of 51%

NEW YORK, August 21, 2012 -- *Inc.* magazine ranked McVeigh Associates, Ltd. as one of the nation's fastest-growing private companies on its sixth annual Inc. 500|5000 list. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Unified Payments tops this year's list. McVeigh Associates, Ltd. joins Yelp, yogurt maker Chobani, Giftcards.com, KIND and famed hatmaker Tilly's, among other prominent brands featured on this year's list.

"There are millions of private companies in America and it is a testament to our strong work ethic, built in efficiencies and our client centric approach to be apart of the prestigious Inc. 500|5000 list", says Frank McVeigh, President and CEO of McVeigh Associates.

In a stagnant economic environment, growth rate of 2012 Inc. 500|5000 companies remains impressive. The companies on this year's list report having created over 400,000 jobs in the past three years, and aggregate revenue among the honorees reached \$299 billion.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.

"Now, more than ever, we depend on Inc. 500/5000 companies to spur innovation, provide jobs, and drive the economy forward. Growth companies, not large corporations, are where the action is," says *Inc.* Editor Eric Schurenberg.
